Please help contribute to the children of Project Pride!
Stockings, blankets and gifts will be delivered December 22, 2017

Project Pride

Join us as we once again gather toys, books, and art materials for the children served by Oakland's Project Pride. Project Pride is a residential drug and alcohol treatment program for women served by the East Bay Recovery Project. This has become a longstanding tradition at the Club and one which staff and members alike enjoy!

For many years the Club's Front Desk Staff has created individual stockings for each child. The stockings are beautiful and are displayed throughout the Club. Please help us fill the stockings with many "wonders" for the children to enjoy during their Holiday. This year the Front Desk Staff members are also making Warriors and Cal blankets as gifts for the children. There are 27 children who range from 1 month to 10 years old.

Please bring age appropriate presents labeled with the gender and age or make a monetary donation to help with the purchasing of presents.
