Member Update –March 12, 2020

(Suffrage organizer Margaret Haley ready to speak outside UC Berkeley during the 1911 campaign)

- **It is with regret that we have decided to cancel our Centennial Event – “Winning the Vote: The Triumph of the American Woman Suffrage Movement” scheduled for today – Thursday, March 12, 2020**

We are concerned for member safety and will reschedule after Spring break

- **“Big Give Day”**

Please consider a generous contribution to the Club today!

Today is CAL’s designated “Big Give” Day

**We would appreciate your support
as we near our fundraising goal.**

**Your donations allow us to continue to enhance the Club
for all members and guests.**

**The new patio, gardens, enhanced wi-fi and espresso machine
were all possible due to your contributions!**

**The new ADA pathway has been particularly important
in insuring that the Club is inclusive and can welcome all guests.**

We thank you for all you have done.

Help us reach our fundraising goal!
