Join us for a series of music concerts named for the first President of the Women's Faculty Club - Dean Lucy Ward Stebbins.

Stebbins was the Second Dean of Women Students on the Berkeley campus. Together with women faculty who were “the first” of almost everything at CAL, she founded our Club in 1919. She was a tireless advocate for women students.

The “Stebbins Piano Series” celebrates both the space that Stebbins helped to create as well as the Club's 1902 Steinway piano. Cal students rescued the piano in 1923 from the home of President Emeritus Benjamin Ide Wheeler as the Berkeley hills burned. After the death of President Wheeler's wife, Amey Webb Wheeler, the piano was donated to the Women's Faculty Club in honor of that early rescue and the safe harbor that the Club provided.

Now we honor both women's legacies with a series featuring U.C. Berkeley's current keyboard students and instructors performing on the Club's historic Steinway in the Lucy Ward Stebbins Lounge!
